That's us – feel the vibe!

IAM Global is disrupting the old-fashioned recruitment industry with a revolutionary approach based on Artificial Intelligence and Psychoanalysis. We're enabling businesses to make data-driven decisions when it comes to crucial hiring challenges, inducing productive, satisfying and long-lasting working relationships. Our team is fundamentally changing the way we think about job happiness and uses cutting-edge technology to truly make a positive impact in today's world of work. Eradicate gut feeling & slow, irrational processes - data is making it happen. Together we are living the passion of creating a superior system that allows our customers to drastically reduce employee turnover, hiring effort and provides them with the pleasure of hiring in the 21st century.

We are fully-funded and have just launched our rocket. That's why we need smart people like you to take off and push the boundaries of what's possible – day by day.
